OVERVIEW

This course empowers sales professionals to move beyond traditional pitching and engage clients through meaningful, strategic conversations. Participants will learn how to uncover deeper needs, position themselves as trusted advisors, and drive win-win outcomes through active listening and problem-solving.

OBJECTIVES

By the end of this course, participants will be able to:

- Apply consultative sales techniques to build trust and uncover client needs.
- Lead strategic conversations that shift focus from product to value.
- Use questioning frameworks to guide clients toward self-discovery of solutions.
- Position themselves as advisors who solve problems, not just sell products.
- Navigate complex discussions and align solutions with business outcomes.

COURSE OUTLINE

1- Consultative Selling Mindset and Core Principles 2- Mastering the Art of Strategic Questioning 3- Framing Solutions Around Business Needs 4- Leading Client-Centric Dialogues and Discovery Meetings 5- Turning Conversations into Commitments and Value
