Categories:	Wellbeing & Personal Dev	Venues:	Dubai
Formats:	In Person	Instructors:	Sami Khoury

OVERVIEW

This course redefines how professionals approach well-being by focusing on integration rather than balance. Participants will learn how to design a life where personal values, work demands, and wellbeing can coexist sustainably.

OBJECTIVES

By the end of this course, participants will be able to: – Shift from the idea of balance to integration for sustainable well-being. – Identify personal values and align them with work and life choices. – Set boundaries and rituals to reduce conflict between roles. – Reframe guilt, control, and perfectionism in daily routines. – Create a flexible framework to support ongoing integration.

COURSE OUTLINE

1- The Myth of Balance and the Model of Integration 2- Personal Values and Lifestyle Design 3- Conflict Reduction: Boundaries, Guilt, and Flexibility 4- Habits, Rituals, and Systems for Integration 5- Creating a Personal Work-Life Integration Blueprint
